25. Delegate for State Convention Appointment – President Richard Muecks
    a. A discussion was had by the membership about not designating a delegate for the SFFMA Convention. One reason is that the District may not be able to support the delegate financially. Another reason is that everyone was going to be at the Convention anyways and registered under their own fire department and it may be too late to get someone registered. Therefore, the decision was not to appoint a delegate for the District at the SFFMA Convention.
